

President's Corner . . . Monico Zamora

Hello Everyone . . . Here we are again after a great meeting, which included our annual potluck dinner and so much more. The food was unbelievable and tasty, from all participating members, it just keeps getting better and better.

We have a lot of events coming up, so if you enjoyed the recent San Diego trip with the Jeff Castillo tailgate party at the stadium down there, stay tuned.

Big Booster Thanks go out to: Dorothy Wylie and her crew for hosting the potluck, the Armenta travel team for San Diego, to Jeff for volunteering to be our cook, and his family and the 120 plus who went to San Diego.

We have our annual Blood Drive coming up, so please let your family and friends know about our event so we can help the Red Cross and bring home the Blood Drop trophy again this year. Get ready for more exciting fun with the Booster Club.

Ticket Talk . . . Mae Rosenkranz

Tickets for HS 5 & 6 will be available for pickup at the June 14th meeting. Please make arrangements to pick up your tickets if you will not be attending the meeting. And PLEASE pick up ALL your tickets at one time for HS 5 & 6. When you don't pick them all up at one time, it makes a lot of extra book work for me. Also, if you don't pick your tickets up or cancel them 15 days prior to game date, you still have to pay for them. When I email you or leave a phone message for you regarding your tickets, please answer me back right away. Otherwise, if I have an opportunity to sell them to someone else or return them to the stadium, I have to do so. Always respond and make arrangements to pick up your tickets in a timely manner.

We also have a new meeting place this season for our pre-game on-field activities at Dodger Stadium, of special interest will be future Kids to the Field games. It will now be in the lobby of the Dodgers administrative offices, on the club / stadium suites level, The lobby can be entered through Parking Lot D. You must be there no later than 1 hour and 10 minutes before the start of that game. Please remember to bring your game tickets for all those in your party as they will be needed to get in, and as always, if you have questions, email me, 000000@0000.com, or call my home phone, 000.000.0000 or cell phone, 000.000.0000.

I couldn't wait until the May general meeting. I thought all of the renewal memberships and new member applications would all be over with. I planned on finally paying attention to the meeting. But NOOOOOOO! I'm happy to say that the membership has kept me busy by bringing their friends and family to our meetings and having them sign on as new members.

We had 104 members attend the May meeting. This is our third month in a row with more than 100 members attending the general meeting. Keep up the great work.

Now let us welcome our new members: DENNIS SALVATIER from Rowland Heights, RICARDO and LETTY CANTU from Los Angeles, and ELISETH FLORES from Whittier. Welcome to the Booster Family!

Reflections Of Our San Diego Trip . . . Sandy Zamora

We just got back from San Diego where we had the best time. And it wasn't just the 4 - 1 win for the Dodgers against the Padres. The fun started much earlier at the Booster Tailgate party. All I have to say is THANK YOU, to all who made this event so special. Thanks for the hard work from the travel girls, Vickey and Olivia Armenta for ordering and distributing the 120 tickets ordered. Thanks to J.J. Sells and Manny Galindo for initiating and maintaining Facebook, because of Facebook we met a whole new group of Dodger friends from San Diego, the 619DODGERS. And most important, to Jeff and Olga Castillo for cooking some great food for us all.

We had the most delicious hot dogs with bacon wrapped around them, we had carne asada and chicken tacos, nachos, salsa and chips. There was plenty of merriment going around. New friendships were made, old friends were reacquainted.

Although Michelle Vasquez was unable to make it to San Diego, her homemade cookies were a smash! And after the game as we all headed to our cars thinking of the great day we had just had, we came to find that the party was not over. Jeff brought out the grill and with the help of our President, Monico Zamora, they cooked more hot dogs and barbequed shrimp. It was the best shrimp I've ever tasted.

There was a lot of chatter about taking this party on the road up north. If there's an opportunity to go see the Dodgers play the Giants don't hesitate to order your tickets.

You're not going to want to miss that party!

Cool T-Shirt 4 Sale . . .

One of our booster members, Jesse Reyes, along with a partner, has created a really cool new T-shirt we think all Dodger boosters might be interested in. It is a Dodger Blue T-shirt. In white lettering, it says "It's Time For Dodger Baseball!" along with the image of Vin Scully. Perhaps you have seen a few of them at games and the concession folks have looked at you quizzically when you described it.

Worry no further. You can order them through Jesse at meetings or through his email address, 0000000@0000000.net. The sizes range from Small to XXXL and the cost is only \$15. Be sure to come to the next meeting to see these T-shirts in-person and check out the photo we'll include in our next newsletter.

May Meeting . . .

A truly grand time was had by all at our May meeting. The 104 members and guests in attendance were first treated to a truly bountiful and scrumptious pre-meeting potluck dinner. The varying array of choices made it necessary to make at least a second or third trip back in order to taste everything. Plus it was really fun and cool to be able to eat in the library, something totally forbidden during my high school years.

Thanks must go out to St. Paul High School for having the faith in us to allow us the chance to have our potluck in their library. And a very special THANK-YOU to Chairperson Dorothy Wylie and all her fabulous crew, for not only setting up and arranging such a large amount of food, but for organizing it in such an orderly fashion, everyone got through the line very quickly. No one went home hungry that night unless by choice.

The business portion of the meeting was quite lively and varied as usual. Of the many highlights, one was our guest speaker Geri Ostil Hernandez, (left) of the American Red Cross, who spoke to us about the urgent need for blood donations always, but especially during the summer when high schools and colleges cannot be counted on to sponsor blood drives.

She also went over the particulars of this year's drive, including our manning registration tables at Dodger stadium for games during the homestand prior to the blood drive.

Another highlight was the naming of this year's First Pitch Ceremony participants for the pre-game ceremony at the stadium on Friday, June 4th, along with your Board handing out our annual player awards, and our junior members running out onto the field to greet the players.

This year's lucky crew will be Pitcher John Lorenz, Catcher Gloria Castaneda, Umpire Veronica Barron and Manager Carlos Uribe. Just in case one or more of these lucky ones are unable to fulfill their duties that day, we also selected 4 alternates who, in the following order, will only be too eager to step in - Liz Romo, Emma Amaya, Belinda Uribe and Priscilla Graves, and with that selection complete and raffle winners named, with full stomachs, this meeting was history!

Fanfare & Booster Tidbits . . .

We are really excited to announce that two more members are getting married. This time it is Lizette Alcantar and Enrique Flores who will walk down the aisle. Their special day was May 28th. On behalf of your Booster family, congratulations to you both and may you two enjoy many years of wedded bliss together!

We are so saddened to have to share with you that board member Armida Vasquez has lost her mother to cancer. Losing loved ones is always a difficult task with which we must deal with in life, but losing your mother is particularly difficult.

On behalf of your Booster family may we extend to you Armida and members Louis and Michelle, along with the rest of your family, our deepest sympathy and heartfelt condolences for your loss during this difficult time.

Sneak Peek Ahead . . .

Here's what's coming soon . . . Watch your Booster Club Website for NEW and exciting changes, like the ability to join and/or renew your membership online, and the option of having a "between years" Years of Membership Card.

Angel Boosters vs Dodger Boosters Blood Drive . . .

Looks like we are about "all set" for the main event, scheduled for Saturday, June 19. All we need now is to make sure each and every Dodger Booster Club member is helping out the very best he or she can, by either donating blood, telling others and getting them to donate blood, and volunteering to work at any of the seven donor sites the day of the event.

Again, those sites will be at the American Red Cross Chapters in Long Beach, Pasadena, Pomona and Laguna Hills, along with the LAPD Training Academy next to Dodger Stadium, the Civic Center in Glendale and the Crown Plaza Hotel in Fullerton.

If you haven't already done so, please be sure to sign up at the June meeting to work at one of these locations. We REALLY NEED to try to have Dodger Boosters at ALL 7 locations, unlike our competitors.

Be sure to wear Dodger Blue so everyone will see us, and to make a donation appointment, call 1.800.RED.CROSS or go to redcrossblood.org and enter the sponsor code:homerun.

Remember, all presenting donors will receive a commemorative T-shirt and a voucher for two tickets to an Angels or Dodgers game. We have been so proud of the fact we have collected more units of blood each year than the year before, each and every year of this blood drive, since its inception 11 years ago.

We have gone from 30 units the first year to last year's record of 609 units. If we have any hope of continuing this remarkable record, it will only be because of all YOU members rolling up your sleeves and taking part in some way or another. See ya at the meeting and at the blood drive on June 19th.

Giveaway Crew Update . . . Belinda Uribe

Hello party people . . . As you all know by now, Sandy has given me the opportunity to take charge of the giveaway crew. Hope I can do a good job like she did.

I'm looking forward to working with all of you, I'll do my best to give every one a chance to volunteer. Please be aware that based on you signing up for a giveaway game, I will send out a confirmation email to all volunteers working that game.

Please remember you must reply back that you received my email. If you don't reply back timely, I will have to go to my waiting list to replace you, as I must submit the list of volunteers to the Dodgers prior to the game, and we will only receive credit for the names submitted, but not for anyone who just shows up that day.

Thanks for your help and see you at Dodger Stadium.

Lunch With An Ump - Raffle . . .

Member John Aston was the winning bidder on the UMPS CARE Charities bidding for "Lunch with an Ump" (there were a total of 9 auctions in cities around the country). More than \$4500 was raised collectively. Each "Lunch With an Ump" experience includes lunch for two and two tickets to the ball game.

John has offered up the chance for one person to be his guest for this event as a raffle at the June meeting. He will let the Board set the price of a raffle ticket and all monies collected will go to the club's Little League sponsorship fund.

This event will take place on Tuesday, July 6th. According to the information he has received, John says the day should go something like this - Around noon that day we will go to the hotel where the umpire is staying and let the desk clerk know we have an appointment with our umpire, which will be Fieldin Culbreth. He will meet us in the lobby and then we'll head to the hotel restaurant for lunch for approximately an hour, and then go to the game that night.

John says he will have to pick up the tickets that night at the Umpires' Will Call window. He doesn't know the seat location but the Dodgers will play the Florida Marlins at 7:10 PM. He will work out coordinating transportation with the raffle winner.
